

It's time for an adventure! Let us transport you through Asia's rich and complex multicultural flavours. The interpretations of classic dishes are skilfully redefined by modern French techniques at BLANC. There'll be indigenous Malaysian ingredients, Penang's famous food and imported seasonal premium produces for the ever-surprising menus. It's like a labyrinth of discovery served with mystery, do expect the intriguing textures and contrasting flavours that are drool worthy.

Get on the gastronomic journey with the Degustation Menu that'll leave you elated, or go bold with the Indulgence Menu to unveil more dishes with upgraded ingredients to elicit the nuance of flavours that is out of this world.

If you like, accentuate your meal with a lovely bottle with the help of our Sommelier. When correctly paired, they act as the perfect tango partners dancing on your palate.

Your adventure starts now.....
